

The EDS Post | Issue 5

Welcome to the latest issue of our newsletter, The EDS Post, which brings you our latest news and updates.

The main focus of this newsletter is training, development and promotion, reiterating our commitment to our team, that we encourage to continue to learn, progress and enhance their careers with us.

Amanda has more responsibility in her role as a Registered Manager and Gosia has been promoted to Branch Manager. Kirsty and Josie are progressing well through their probationary period and we look forward to welcoming them to their new roles.

Earlier this year we moved to brand new offices at The Glass Yard in Chesterfield, where we have really settled in. Our location is central to the area that we serve, which takes in the Derbyshire Dales, North Derbyshire and parts of South Yorkshire.

We are always looking out for people to join our team, so if you know anyone who is keen to work with a progressive and dynamic company that really cares, they can call us and send in their details by email.

Next month there will be an extra long weekend (2-5 June) on the occasion of HM the Queen who will be celebrating her Platinum Jubilee. Our Queen has devoted the last 70 years of her life to a grateful nation and commonwealth, and everyone here at EDS Homecare sends her our very best wishes.

Finally, we have all been saddened by the events unfolding in Ukraine. This independent nation is doing all it can to repel an unwelcome intruder and we all hope that the conflict is resolved in the very near future.

We hope you and your family keep well and we look forward to seeing you soon.

Best wishes
